From a young, ten-year-old whose passion for theatre has allowed him to write playlets and present them to his neighbors at his backyard, George Kazacoff now presents his book *Dangerous Theatre* to his readers. With his doctorate degree from New York, he has led a multifaceted career as a college professor, playwright, actor, director, and filmmaker. Through his book, he aims to tell his audience about the Federal Theatre Project (FTP). As his first book, he dreams for *Dangerous Theatre* to make an impact to his audience, highlighting how the FTP acquired, evaluated, established the plays for production.
