For every person looking for Jesus, there is a special time. And if you truly want to meet him, you will. Meeting him was what led retired educator Sonia Coldicutt to write a book about Jesus—from the prophecies to his death, resurrection, and ascension. *Well of Living Water: The Story of a Man Who Was God* reflects Sonia's drive to introduce the Jesus she understood when she read the Gospels.

Growing up under the guidance of a religious mother, Sonia was well acquainted with the stories of the Bible and found the story of Jesus Christ the most interesting of all. And just like her, when she went into her own pilgrimage to find God again, she hopes that those who will read *Well of the Living Water* will find Jesus as well.
