BRZRKR BLOODLINES

Keanu Reeves • Steve Skroce • Mattson Tomlin • Rebekah Isaacs

Discover the brutal hidden history of Keanu Reeves' record-shattering saga, soon to be adapted for Netflix!

BRZRKR BLOODLINES

Renowned filmmaker and record-shattering comic creator **Keanu Reeves** is joined by writer/artist **Steve Skroce** (*The Matrix*, *Post Americana*), screenwriter and director **Mattson Tomlin** (*A Vicious Circle*, *The Batman Part II*), and artist **Rebekah Isaacs** (*Buffy The Vampire Slayer*, *Money Shot*) for a pair of self-contained stories set within the 80,000 year history of BRZRKR!

In *POETRY OF MADNESS*, a sea of gore and devastation awaits as B., through a fateful chance encounter, safeguards the advanced and ancient realm of Atlantis as its unstoppable protector. But a sickly monarch serves as a symbol for the rot inside, as the security and bliss created through B.'s violence is shallow...the cracks created by a secret cult might spell a monstrous end for the legendary city, one beyond even B.'s ability to save.

In *FALLEN EMPIRE*, a former kingdom eradicated by the BRZRKR has a single living survivor. She and her people knew B. as the God King. In this tragic story of death and cataclysm, the survivor recounts a fable in which lost love, manipulation, and warring empires brought out the very worst of Unute... but is the fable's narrator reliable? What might the survivor be hiding?

Don Feeny is a retired US diplomat and Air Force officer. He served in embassies and consulates around the world. He holds a master's degree in management information systems from the University of South Carolina and teaches part-time in graduate school. He has also sold paintings on a street corner, washed dishes, worked in a paper mill, flipped hamburgers, painted houses, and tended bars.

In his memoir, *Gathering No Moss*, he recalls the wild, weird, and surprising journeys of his life. As a reluctant traveler, he was able to convey the heavy burden of loneliness on the road while driven by the search for meaning, spirituality, and love.

Feeny was shot three times, survived a brain aneurysm, and beat colon cancer. His life mantra is "The more you know, the more you don't know sh*t."

Vicky Bedi is a talented musician who has been a church organist for most of her life. She is also a talented artist and designs her own clothes. *Whisper of Hope, Cry of Despair* is her first book—her autobiography.

Its penning has been in progress for over fifty years. However, for most of that time, it was her mother's biography that was conceived. It led her to writing about American society in the mid- to the late twentieth century. But later on, it became apparent that the story was really about her.

Bedi's purposes of writing *Whisper of Hope, Cry of Despair* include helping other victims of family situations similar to hers, accepting the parents and family she has without judgment, and recording the empathy and acceptance that she has found.

TRINITIES TO ENNEAGRAMS

This book is rooted in the author's experience as an academic, intuitive counselor, and Science of Mind minister for many years. In the broadest sense, this book is about our two selves or personalities and life development stages which contain all personality types. It is written for people with some awareness of their enneagram personality type, astrology sun sign, and a genuine interest in spiritual development. The Enneagram personality self represents our limited conscious mind, safety and security needs, and personality type. The Cosmic self represents the unlimited subconscious mind, our Cosmic purpose, spiritual needs and Cosmic Enneagram type.

Long story short, *Trinities to Enneagrams* lays out a genuine road map to integrate your material outer world, metaphysical inner world, and life stages of development. With the assistance of tables and diagrams throughout, you will see how these three are related, how they are meant to work together, and the benefits of doing so. The more the Personality self chooses to follow the Cosmic self instead of vice versa the more happiness, love, aliveness, and prosperity will be experienced.
