WEALTHY AND WHITE.

NEW BOOK RELEASE.

WE CAN'T CHANGE OUR PAST. THE FUTURE IS ANOTHER STORY.

Great satisfaction comes from helping to correct a wrong. By helping those held down for generations, you are returning something that has been stolen from them. You are walking beside them till they regain their strength, courage, resolve and optimism.

Accept your responsibility to society.
Get to work.

This thought-provoking book challenges our understanding of privilege and advocates for positive change. Through personal anecdotes, deep reflection, and a call to action, Ed Mitzen challenges readers to examine their own privilege and leverage it to create a more equitable society.

'Wealthy and White' invites us to confront uncomfortable truths, engage in empathetic dialogue, and take meaningful steps towards positive change.

Together, we can make a difference.
